

# COBOS

precision

**CBK - Series**

## Precision platform balance.

DURABLE!!

WASHABLE!!

HIGH RESOLUTION!!

Water & Dust Proof IP-65.

Water & Dust Proof IP-65

All stainless steel housing.

Maximum 1/330.000 resolution.

Big pan (400x350mm).

Large fluorescent display.  
One-touch calibration.  
Bar graph indicator.  
5-point comparator function.  
Standard 2-channel RS-232C.  
You can separate the Indicator (cable length 2m.).

Separate type

Under weighing function.  
Verifiable **M** (only models with internal calibration).

---

## Accessories

Rechargeable battery.  
Buzzer out put.  
Relay contact.  
RS-422A output.  
Under weighing hook.  
Extended pick-up cable 5m/10m  
Dot-matrix printer.

Dot-matrix printer

Statistical printer CSP-160.

Statistical printer CSP-160.

Software: RTS-E; interface for windows.

Calibration weight.
